Big Demand For Office Help

Never before in the history of the southwest have there been so many and such lucrative positions open to those trained for business, as today. And the new era of business prosperity now at hand is certain to produce an even greater demand.

The Albuquerque Business College finds it impossible to supply the calls that it is receiving from prominent business firms, a condition due, principally, to the fact that this institution has a reputation for turning out the very best help that can be procured, its graduates even being preferred to most experienced office assistants. It recommendation is conclusive evidence of competency. Every call offers from \$50 to more than \$100 a month, with splendid chances for promotion.

Enter September 9, devote a few months to persistent study, and you, also, will be qualified to enter the great, busy, commercial world, overflowing with such unlimited opportunities.

A postal will bring our 40-page catalog. Albuquerque Business College, "The Special School By Specialists," Albuquerque, N. M.,
